London Hill Dry Gin is made using the traditional infusion method in a copper pot still at Langley Distillery. London Hill's packaging was redesigned in 2012.

Review and Tasting

Appearance

Crystal clear.

Aroma

Lavender, camphor, lemon sage and parma violet with cracked black pepper and cinnamon spice.

Taste

Spicy floral London dry gin with parma violet and lavender heavily influencing cracked black pepper spice, pine, coriander, celery, orange zest and overripe banana.

Aftertaste

Spicy, floral finish.
