

King Robert II

Details

Leading value for money blended whisky. The malts used are only selected when mature. King Robert Scotch thus tends to be much more smooth and mellow.

Taste: Sweet vanilla and toffee with pleasing spicy influence. Creamy and warming, fruity with butterscotch. Long and complex

Country of origin: Great Britain

Alcohol by volume [% AbV]: 43

Ingredients: Water, wheat, maize, malted barley, yeast and plain caramel
with colourant

Warnings: Drink responsibly
