

# Christiana Vodka

## Product Details

CATEGORY	Vodka
REGION	Norway
ABV	40%

## Product Description

From two key ingredients, organic "Trondelag" potatoes and pure Norwegian water, Christiania is distilled six times, then charcoal filtered and then aerated, eliminating the last of the impurities for ultimate smoothness. This is according to a tightly guarded recipe which originated in the court of Norway's Bohemian King, Christian IV over 400 years ago.
